

# Social Media Specialist — Treanor Devlin Brown

TDB Law is looking for a part-time crypto social medial specialist. This is a fully remote position, 10-15 hours per week, with a base salary of \$30 per hour plus performance based bonuses.

## About the Role

Treanor Devlin-Brown PLLC is a Manhattan litigation boutique that represents clients in cryptocurrency fraud cases. We are looking for a part-time Crypto Social Media Specialist to help us monitor, engage with, and build our presence in crypto-focused online communities.

This role is ideal for someone who is already deeply embedded in the crypto social media ecosystem — someone who follows the narratives, knows the key voices, and cares about fighting fraud and protecting victims in the digital asset space. You'll help us stay on top of what's happening in real time and shape how TDB Law shows up in the conversation.

## Responsibilities

- Monitor crypto-related discussions and developments across X, Reddit, Discord, Telegram and other relevant platforms
- Identify and flag emerging trends, fraud schemes, enforcement actions, and other developments relevant to our practice
- Propose and draft social media content for the firm's accounts
- Help build and maintain TDB's presence and reputation in crypto-focused online communities
- Provide regular briefings to the legal team on noteworthy crypto social media activity
- Track relevant conversations and threads that may relate to active matters or potential new business

## Qualifications

- Currently enrolled in college or a college graduate
- Demonstrated prior engagement with crypto social media
- Strong knowledge of and genuine interest in cryptocurrency

- A commitment to the mission of fighting fraud on the blockchain
- Excellent written communication skills and good editorial judgment
- Ability to work independently in a remote environment

### **To Apply**
